Dear WNT customer,

Along with the regrinding box you will also receive a despatch note for the articles requiring regrind. Here you should enter the items requiring regrind and stipulate if the items are to be coated. This will assist your management of the process.

Please note that non-WNT tools will be processed as WNT sees fit to give the best results. However, WNT does not offer any guarantee of performance for non-original tools that have been reground, modified or re-coated.

Telephone WNT to organize collection of the box:

For further inquiries we are at your disposal.

Yours sincerely,

WNT (UK) Ltd.
